Bonnie Soto Design

Creative Graphic Designer & Web Developer with a strong passion for visually compelling and user-friendly designs. A disabled Army veteran, bringing discipline, adaptability, and a problem-solving mindset to every project.

Skilled in branding, UI/UX design, and front-end development, with a keen eye for aesthetics and functionality.

Proficient in industry-standard design tools, responsive web development, and modern frameworks to create seamless digital experiences.

Adept at collaborating with clients and teams to bring visions to life, ensuring designs align with business goals and user needs.

Known for balancing creativity with technical expertise to deliver innovative and impactful solutions.
